Corn was \$1.10 in New York Monday.

Mr. Hudson, south of Montezuma, lost 1,600 bushels of 75 cent rye by a Gray county prairie fire on the 21st ult.

It is just as well that the Republican party in Kansas keep on campaigning. They may have the hog cholera to fight next year.—Eagle.

Many Gray county farmers will plant spring wheat. This crop does well in this part of the state, and the spring wheat acreage is increasing every year.—New West.

"Without a doubt Southwest Kansas is the greatest wheat country on the globe," is the truthful way in which the visiting editor of the Lincoln (Ill.) Herald sings our praises.

Jerry Simpson says the Democratic party in Kansas is made up of poor white trash from the south. This is giving it pretty hard to half the fellows that helped him out of his sockless poverty.

The Atchison Patriot, (dem.) is urging the democrats and people's party to fuse in 1892, each taking five presidential electors. This would be carrying out the democratic policy of free trade.

Senator Vance says that in the South it is mighty hard to tell the difference between an Alliance man and a Democrat on a cloudy day. On election day the difference seems to become totally obscured.

The Hutchinson Gazette, a People party organ, in favoring the proposed next year's fusion with the Democrats, says: "The thing to do is to have the Republican party, and we shall not be very choosy as to the means employed."

The noble women of Madison, Greenwood county, after the law had failed to do service against the single joint in the place, armed themselves on the night of the 24th, and went on the war path. They smashed the joint cold, and demolished the windows of Mayor Genter's residence, where a sheltering arm openly existed.

Mrs. Lease told a reporter of the Kansas City Journal that when she was enjoying the comforts of the best room in the best hotel in Indianapolis she could not help thinking that the farmers had everything to pay. Unfortunately for Mrs. Lease that thought is beginning to occur to the farmers themselves.—Leavenworth Times.

It is the opinion of Marsh Mudrock that the Kansas Democrat is a great fellow. It may take some time, he says, but the Democrat finally gets the laugh on his enemies. Last year he joined the Alliance and beat the Republicans. This year he joins the Republicans and beats the Alliance. Sometimes he goes it all alone and beats himself.

The Kickapoo squaw and one of the bucks made a break for liberty Sunday night. They spent the night in the hills south of town, and were captured by the agent on Monday about fifteen miles south of town, on the Sawlog.—Jettmore Siftings.

They were evidently returning to the green and luxuriant pastures of Dodge City.

A mathematician figures out the cost of raising a boy till he is twenty-one years old at \$4.150. The trouble with that expense is that the influences wholly outside of that expenditure determine whether, when the boy is raised, he is worth the money or would be high priced at twenty-five dollars. There are lots of boys raised who would not sell for one cent on the dollar of the cost of raising.

The Anthony Republican has authentic information that the Hutchinson and Southern railroad will be pushed across the Indian Territory and through the McAllister coal fields to some deep water harbor on the Gulf. A short cut to deep water will prevent the blockade games played on the west by Chicago. It will also give a black eye to the grain gamblers, who have more to do with the fixing of prices of grain than does the natural law of supply and demand.

Kansas is again at the front. In all the wheat producing states a general drouth has prevailed, except in Kansas and the southwest corner of Nebraska. In all states except ours winter wheat has been badly damaged, and the outlook for 1892 is most flattering for the Sunflower state. There is a likelihood that wheat will be money next year, and as Kansas lead in 1891, so she bids fair to retain her place in the coming year.

Judge Theodosius Botkin, of the thirty-second judicial district, has given it out to his friends that he will be a candidate for re-election, and the best informed men in his district are on record as saying that there will be very little opposition to him. The whole world knows Botkin. He is the man whom the house of representatives wanted the senate to impeach. He is the man who was proven to have a capacity for eight ounces of whisky "at one fell swoop." He is a noisy, burly, brash sort of a fellow, who is a typical citizen of the country he hails from. They like him out there, "north of the Land, east of Colorado and south of perdition," because he is elected. It is of people to fill his con-

PUBLICATION NOTICE.

First publication Nov. 12, 1891.

The State of Kansas, To Anna L. Buchanan, The Buchanan Mortgage Company, The Western Trust Company.

You will take notice that Wm. H. Sharpless as plaintiff did, on the 10th day of October 1891, file his petition in the District Court of Ford County, Kansas, against you, as defendants, and join with you as your co-defendants C. E. Argabright, Lillie A. Argabright, & W. D. Thompson, Administrators of the estate of W. C. Buchanan (deceased), acting forth that C. E. Argabright and Lillie A. Argabright two of said defendants, on the 1st day of June 1891, gave their mortgage to the Buchanan Mortgage Company, which said mortgage is now owned by plaintiff, on the following described lands in Ford County, Kansas, to-wit: Lots one (1) and two (2) and east one-half of the northwest quarter of section eighteen (18) in township twenty-seven (27) south of range twenty-one (21) west of the 6th Principal meridian, to secure the payment of the sum of nine hundred (\$900) dollars with interest at 7 percent, per annum shown by our promissory note now owned by plaintiff and referred to in said mortgage, and praying judgment against C. E. Argabright and Lillie A. Argabright in the sum of one thousand and eighty (\$1,080) dollars, now claimed to be due and unpaid, with interest on \$900 at 12 percent, from the 1st day of June, 1891, and the said premises may be sold to pay the judgment on said note and mortgage. Said petition further alleges that the claim of each of the defendants W. D. Thompson as Administrator of the Estate of W. C. Buchanan (deceased), Anna L. Buchanan, The Buchanan Mortgage Company, and The Western Trust Company is junior and inferior to that of plaintiff Wm. H. Sharpless.

Now defendants are hereby notified that they must appear and answer said petition on or before the 24th day of December 1891, or said petition will be taken as true and the same and each of them; and a judgment for said amount, and a decree forever barring and releasing plaintiff from all claims and said lands, after the sale thereof, will be rendered against them, and ordering said lands to be sold to satisfy any sum found to be due plaintiff upon said note and mortgage. Attest: THOS. LAHEY, Clerk Dist. Court. (L.S.) By T. E. FRENCH, Under Sheriff.
